

# FAST FACTS ABOUT NUTRIANCE® ALOE VERA GEL

Throughout the centuries, millions of people around the world have turned to natural aloe vera to help relieve irritated skin. Nutriance *Aloe Vera Gel* contains a rich combination of pure Aloe Vera, Chamomile, Linden, Cornflower and St. John's Wort Extracts, plus Allantoin and Calendula to support cellular renewal and Pro-Vitamin B<sub>5</sub> (Panthenol) to soften skin and add elasticity. Clinically proven to soothe, moisturize, help calm the skin surface and reduce minor skin discomforts. Aids renewal of skin that has been overexposed to the outdoor elements: sun, wind and cold.

## WHY AN ALOE VERA GEL?

- Aloe vera has been applied to skin in need of help for as long as recorded history. It has for so long remained a favorite choice to promote healthy skin because it works so well.
- To counter the effects of overexposure to the outdoor elements — sun, wind, and cold — aloe vera can help skin look and feel renewed.
- To help soothe and soften skin that has undergone rough treatment, aloe vera promotes youthful smoothness and elasticity.
- To help protect skin's health-giving moisture, especially when skin has suffered the effects of too much exposure; aloe vera works with skin's natural moisture barrier.

**Instructions:** Apply liberally to skin that has been dried by outdoor elements.

GNLD products are formulated and manufactured exclusively for GNLD Distributors.

**Ingredients:** Aloe Vera Gel, Water, Propylene Glycol, Panthenol, Calendula Officinalis, Chamomile Extract, Linden Extract, Cornflower Extract, Matricaria Extract, Hypericum Perforatum Extract, Allantoin, Carbomer, Sodium Hydroxide, Phenoxyethanol, Methylparaben.

## WHY NUTRIANCE ALOE VERA GEL?

- Exceptionally effective soothing relief from overexposure to sun, wind and cold is provided by the finest grade of Aloe Vera Gel, enhanced by the addition of the botanicals, Calendula, Chamomile, Cornflower and St. John's Wort. In just a short time your skin looks and feels healthy and restored.
- Clinically proven to calm the skin's surface and alleviate minor skin discomforts. Helps revive skin suffering from overexposure and related effects to glowing, beautiful health.
- Skin that has faced challenging, drying environments has an increased need for cellular renewal. Aloe Vera Gel includes Allantoin and Calendula to support normal cellular renewal.
- Clinically proven to counter the moisture-robbing effects of sun, wind and cold by adding extra moisture and supporting the skin's moisture barrier with Aloe Vera, Linden Extract and Pro-Vitamin B<sub>5</sub> (Panthenol).
- Unique botanical blend helps to soften skin and promote elasticity.
- Takes a step beyond the Nutriance Synergy Cycle when overexposure to the elements and other rough treatment leaves skin needing extra help.
- Water soluble formula helps maintain a healthy skin surface pH.
- Clinically tested in Europe's most prestigious dermatological research facility.
- Subtle fragrance virtually disappears upon application. Unique personally adaptive formula interacts with your body's natural pheromones and blends with your own personal chemistry to become essentially invisible to the nose. Will not conflict with your favorite fine cologne or perfume.
