

FAST FACTS ABOUT REFRESHING BATH & SHOWER GEL

Give your body a refreshing wake-up call every time you wash with *Refreshing Bath & Shower Gel*. Bathe your skin with luxurious botanicals, including natural Aloe Vera, Pro-Vitamin B₅ (Panthenol), St. John's Wort, Calendula and Balm Mint. Enriched with skin conditioners and an extra-mild multi-cleaning system, you'll love the delightful fragrance and silky-smooth feel of your skin! Oil-free Refreshing Bath & Shower Gel rinses easily and is environmentally friendly.

WHY BATH AND SHOWER GEL?

- To eliminate residues of perspiration and stale surface oils no longer working to moisturize your skin. These could be compounds naturally generated by your own body or residuals of skin care products.
- To remove environmental grime and pollutants that gradually build up on skin.
- To remove dead surface cells that can cause flaking, clog pores and give skin a dull appearance.
- To effectively cleanse your body without the use of harsh or drying soaps that can upset natural pH balance.

WHY NUTRIANCE REFRESHING BATH & SHOWER GEL?

- Extra-mild multi-cleansing formula thoroughly cleans surface debris and lifeless cells as it refreshes skin.
- Unique combination of botanicals, including Calendula, Aloe Vera, St. John's Wort, and Balm Mint Extracts comfort, soothe and protect skin suppleness.
- Moisture-rich Aloe Vera, Pro-Vitamin B₅ (Panthenol) and Glycerin counter the moisture-robbing effects of exposure to the elements, while supporting the skin's natural moisture barrier.
- Oil-free, water soluble formula rinses easily and leaves skin feeling vibrantly clean, smooth and refreshed.
- Enhances youthful radiance with Aloe Vera and Pro-Vitamin B₅ (Panthenol), which are known to help soften skin and promote elasticity.
- Water based formula helps maintain a natural skin surface pH.
- The Nutriance Personal Care line delivers salon-quality performance from luxurious hair and body care products you can enjoy at home every day.
- Clinically tested in Europe's most prestigious dermatological research facility.
- When poured under running bath water, Refreshing Bath & Shower Gel creates an invigorating, luxurious foam bath. Biodegradable formula provides rich, inviting foam that is environmentally safe.
- Subtle fragrance virtually disappears after use.
