

FAST FACTS ABOUT NEO-LAX

Our natural eliminative processes cannot be taken for granted. Faulty or irregular elimination can occur as a result of several reasons, including improper dietary choices such as insufficient fiber or too little liquid; stress can also be a factor. Master herbalists have learned that a carefully selected combination of natural herbal components can assist our lower digestive tract to perform its healthy elimination function. GNLD's Neo-Lax is a unique combination of proven herbal ingredients, which are both safe and effective and especially helpful for encouraging normal stool movement and bowel function.

Why Choose Herbs

For the Lower Digestive Tract?

- Because herbs have been proven effective from centuries of use.
- Because herbs have a long history of safe use, without the side effects associated with chemical drugs.
- Because herbs are nature's solutions to wellness challenges.
- Because herbs are non-habit-forming.
- Because herbs work naturally and gently to support normal, calm digestive tract function.
- Because herbs have been shown to restore the body's balance and help the body perform at its vital best.
- Because herbs have been shown to support the natural processes of elimination and cleansing of the large intestine.

Why GNLD Neo-Lax?

- **Comprehensive formula.** Our unique "complete family" approach to the formula provides broad, synergistic effects of the herbal constituents, which optimizes their ability to support optimal wellness via healthy elimination and internal cleansing.
- **Herbs are selected from many global traditions**, bringing you the best herbal knowledge from around the world.
- **Contains Senna**, which has been shown to support natural peristaltic action in the lower digestive tract. Standardized to 16 mg total sennosides per serving.
- **Contains Buckthorn bark**, which has been shown to assist with easy stool movement and other eliminative functions. Standardized to 20 mg total glucofrangulins per serving.
- **Contains Licorice** which supports ease of elimination and also calms and soothes distressed tissues in the digestive tract.
- **Guaranteed purity, potency, and consistency.**
- Contains no sucrose, yeast, corn, soy or milk derivatives.

The following benefits have been attributed to the herbs contained in GNLD's Neo-Lax by master herbalists:

HERB	ACTIONS AND BENEFITS
Senna extract – leaf (<i>Cassia senna</i>)	Encourages softening of the stool and natural peristaltic action of the colon.
Licorice powder – root (<i>Glycyrrhiza glabra</i>)	Adds moisture to the stool. Promotes liver health and blood cleansing. Calms and soothes tissues in the digestive tract.
Prune powder – fruit (<i>Prunus domestica</i>)	Promotes regularity of bowel movement.
Alfalfa powder – leaf (<i>Medicago sativa</i>)	Supports blood cleansing. Rich in phytonutrients important for cellular renewal.
Buckthorn extract – bark (<i>Rhamnus frangula</i>)	Assists softening of the stool. Supports blood cleansing and kidney function.
Rhubarb powder – root (<i>Rheum officinale</i>)	A tonic for the digestive system. Cools excess heat in digestive tract. Encourages movement of stool.
Asparagus powder – plant (<i>Asparagus officinalis</i>)	Supports movement of stool. Assists cleansing of blood.
Anise powder – seed (<i>Pimpinella anisum</i>)	Promotes healthy, calm digestion. Reduces gas in digestive tract.

K Best If Used By

SUGGESTED USE: As a mild inner cleanse, take 1 to 2 tablets with a glass of water at bedtime. Take another glass of water when you wake up. Neo-Lax works gently overnight.

Put yourself on a regimen that includes fiber and bran. Give nature a chance to promote regularity.

NOTICE: This product contains senna leaf, buckthorn bark and rhubarb root. Read and follow the directions carefully. **Do not use if you have or develop diarrhea, loose stools, or abdominal pain because senna leaf, buckthorn bark and rhubarb root may worsen these conditions and be harmful to your health.** Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, or taking medications, or have a medical condition.
