

FAST FACTS ABOUT REFINING TONER AND BALANCING TONER

Complete the final stage of cleansing, help your skin find its balance, and prepare your skin to accept rich moisture with unique Nutriance Toners! Refreshing, alcohol-free *Refining Toner 1* (for normal to dry skin) soothes and tones as it removes final traces of drying debris. Selected botanicals awaken skin's natural self-correcting abilities by gently energizing production of skin's protective lipids to enhance moisture balance. Stimulating, alcohol-free *Balancing Toner 2* (for combination to oily skin) removes surface impurities and is clinically proven to help calm lipid production and help pores appear smaller. Both Toners contain Green Tea and Echinacea to support antioxidant and immune protection. You can also enjoy either Toner as a refreshing after-shave splash!
